

The Dog Days of May!

The Circle P Sanctuary wants to give back to the other organizations dedicated to helping furry friends! Leash up your pups and join us for a day of doggie wonder. There will be games, vendors, raffles and demonstrations all day. We will have some agility equipment set up for you and your 4 legged master to play on, an off leash area for running and much more!

Enjoy walking around and getting to know some of the different people and organizations that have made it their mission to help animals in need.

Pack a picnic or we will have food available for purchase! Either way, it will be a howlin' good time!

When: Sunday, May 20th

Time: Noon-4pm
